 - ◆ \$600 Ship Board credit per room

\$900 per person deposit to hold your cabin. Final payment due June 12, 2020

Itinerary

Sept 27—Fly from your home city to Dublin

Sept 28—Dublin: Tour majestic St. Patrick's Cathedral, where Jonathan Swift is buried, and stroll through the lovely St. Stephen's Green, a beautiful city park immortalized by James Joyce in Ulysses. The magnificently decorated Book of Kells is on display at the venerable Trinity College. For more secular pursuits, tour the Guinness Storehouse or the Jameson Distillery and learn the secrets to making great Irish beer and whiskey.

Sept 29—Waterford: Stroll through this 1,100-year-old Viking town and admire Rodney's Tower, still in use, and see the exquisite treasures in the museum. Visit the Waterford Crystal Visitor's Centre, where you can see how the artisans cut their famous designs. Enjoy the beautiful Irish countryside as you pass majestic abbey ruins, stroll through quaint villages and see remnants of Viking heritage.

Sept 30—Cork: Cheerful Cork sprawls about the River Lee in one of Ireland's most stunning settings. Bridges crisscross the city leading to landmarks like St. Anne's Church and the Old City Gaol, where you'll see the 19th century prisoners' graffiti. Make time to kiss the Blarney Stone in Blarney Castle

Oct 1—Glengarriff: Far away from Ireland's cosmopolitan urban centers, nested deep in Bantry Bay, Glengarriff offers all the joys of the Irish countryside, from the dramatic beauty of its coastline to quirky cultural distinctions like a nature walk through the private gardens of a local family. Set out on a "seafari" in search of seal colonies and white-tailed sea eagles, or experience rural life on a visit to a family-owned farm.

Oct 2—Galway: From shipping and culture to castles and cliffs, Galway offers a wide array of fascinating experiences. In town, visit An Taibdearc—the national Irish language theater of Ireland or learn about the area's history at the Galway City Museum. Venture into the countryside to take in the dramatic Cliffs of Moher, which are more than 700 feet high and home to 29 species of seabirds.

Oct 3—Londonderry: Londonderry traces its roots to the 6th century. Walls from the 17th century still fortify the city center where you will find St. Columb's Cathedral, built in 1633. Take a stroll across the River Toyle on the newly constructed Peace Bridge, or enjoy gorgeous views of the Irish countryside on a visit to the Sperrin Mountains.

Oct 4—Liverpool: Liverpool is noted for its rich architectural heritage, diverse communities and innovative infrastructure, as well as being the birthplace of The Beatles. The history of the city unfolds at the Merseyside Maritime Museum, and the exhibitions at The Beatles Story take you on a journey through the lives and times of the Fab Four. For a spectacular view of the city, climb the tower of Liverpool Cathedral.

Oct 5—Holyhead: Enjoy the beautiful Welsh countryside, with its charm, in towns and farms and visit the imposing Caernafon Castle begun by Edward I in 1283. This mighty fortress was a residence and seat of government as well as military stronghold. The current Prince of Wales received his title here in 1969.

Oct 6—Douglas: The capital of Isle of Man lies on a beautiful bay backed by wild moors and rugged glens. A horse-drawn tram ride is a great way to see the considerable sights. Don't miss the fascinating collection of Viking artifacts in the Manx Museum.

Oct 7—Belfast: Delight in this vibrant city of ornate Victorian and Edwardian architecture, gracious gardens and friendly pubs. Thrill to the natural phenomenon of the Giant's Causeway, a stunning geological anomaly of tightly packed, uneven basalt columns disappearing into the sea, and the enigmatic ruins of Grey Abbey.

Oct 8—Say Goodbye to Ireland as you fly home
